Terms & Conditions

We do not treat children or young adults under the age of 18. ID may be required.

New clients are seen for consultation and assessment. Treatment is not recommended on the first visit to allow for an adequate cooling off period, but may be provided if the client and practitioner deem suitable. You are under no obligation to undertake any treatment.

To qualify for discount, treatment courses are to be paid in full before treatment commences.

All treatments and courses are non-refundable and non-transferable.

Please provide as much notice as possible if you need to cancel or reschedule your appointment.

A £50 deposit will be taken at the time of booking. If following the consultation, the client or practitioner deems treatment to be unsuitable, the £50 deposit will be refunded. If a client fails to arrive for their appointment or provides less than 48 hours' notice of cancellation their deposit will not be returned.

Please allow adequate time for recovery and best results before special events as many treatments cause some degree of 'downtime'. If you are unsure, please ask.

To get the best results you will be given a recommended treatment plan together with lifestyle and skincare advice.
